**Lord You're restoring
The ancient ruins
You are rebuilding
A holy nation
For Your great Name**

**Lord You will rescue
The lost and fallen
You are redeeming
What we have broken
For Your great Name**

**Beauty for ashes
The joy to face tomorrow
Heavenly melodies
As silence turns to praise**

On the God of generations
All for the glory of the King**

**Lord You're revealing
What has been hidden
You're bringing healing
And a new anointing
For Your great Name**

BRIDGE:

**There is goodness everywhere You go
Turning broken into beautiful
And Your mercy like a river flows
Let it flow**

**All the stolen years will be restored
With the harvest we've been waiting for
And the house of God will overflow
Let it flow**
