

EMBERS

Words and Music by Hannah Hobbs & Ben Tan

VERSE 1:

**A spark in the night
A flame of hope
The Spirit of God within my soul
Alive within my heart
The life in my bones
You're lifting my eyes towards You Lord
Teaching my heart to draw in close
To the all consuming God
Our great unending hope**

CHORUS:

**As ember fans into flame
I'm revived within Your Name
Your Spirit lives within me
Your Spirit lives within me
This fire burns in my soul
Let the light of heaven glow
For all the earth to see You
All the earth to see You**

VERSE 2:

**Spirit You're leading me each day
Casting a light to lead the way
My guide to stay the path
You call me onwards
Here in all holiness on earth
Blazing forever glorious
You're the all consuming God
Our great unending hope**

BRIDGE:

**For all of this life
Your Spirit ignites
A heavenly fire
Untouched by the night
You open our eyes
Turn death into life
Revealing all truth
There's no one like You**
