

# FIGHTING FOR US

Words and Music by  
Nigel Hendroff, Valerie James,  
Zizipho Shelby Mtsamayi & Harrison Parnwell

## VERSE 1:

When I walk through the valley  
When I walk through the fire  
I will be still and know  
He is God alone

## VERSE 2:

When my soul's tired and weary  
When it feels like the end  
I will be confident  
He is not finished yet

## CHORUS 1:

God is fighting for us  
He has won the battle  
Have faith and watch Him move  
There's nothing that He cannot do  
He is Lord of all

## VERSE 3:

Where oh death is your triumph?  
Where oh death is your sting?  
Praise to Christ the King  
Who holds the victory

## CHORUS 2:

God is fighting for us  
He has won the battle  
Have faith and watch Him move  
There's nothing that He cannot do  
He is Lord

God is fighting for us  
He has won the battle  
Have faith and watch Him move  
All mighty and all powerful  
He is Lord of all

## BRIDGE:

All the shackles start to break  
All of hell begins to shake  
At the mention of His name  
Jesus

It is finished, it is done  
Every battle has been won  
Praise the One who's overcome  
Jesus
