

FOREVER AND A DAY

Words and Music by Raymond Badham

VERSE 1:

Gloriously

You saved me You saved me

So miraculously

You made me brand new

You welcomed me

With open arms

With open arms

Unfailingly Your love is a river

PRE CHORUS:

So I will praise You

I will praise You

CHORUS:

I'll praise Your Name forever and a day

And I'll live for You into eternity

I'll praise Your Name forever and a day

And I'll live what I sing

What I say

What I'm learning every day
