

FOR THOSE WHO ARE TO COME

AKA: For All Who Are To Come

Words and Music by
Brooke Ligertwood

BRIDGE:

**Since we are surrounded
By such a great cloud of witnesses
Let us run let us run
With perseverance
The race marked out
Let us make a way
For those who are to come
Those who are to come
Every generation every nation
Every tribe every tongue
They will sing they will cry
Oh with one voice
They will sing**
