

MORE THAN ANYTHING

Words and Music by Braden Lang
and Joel Davies

VERSE 1:

**You knew us from the start
Our every moment
Though we fell apart
You chose to love us
Never letting go
You sent Your Son for us**

VERSE 2:

**He came into the world
With one desire
To lead us from our sin
Remove our failures
So we could meet with You
And know ourselves as Yours**

Find a way in itself
Searching high and low
Looking for a meaning

Know is truth know is love
Life is found when we give
Ourselves all to You Lord**

**Give it all give it all
To the One who's Life**

Saved mine

**Our future in Your hands
Our lives with purpose
Sins now erased our past behind us
Never looking back
We know ourselves as Yours**

In this life all that we seek
To be with You more than anything**
