

GOD YOU MAKE ME SMILE

Words and Music by Julia A'Bell

VERSE:

**God You make me smile as I look to You
And I never thought life could be so cool
I'm so free to be me
We're a generation who will live for You
Nothing's gonna stop us from loving You
We believe in Jesus**

PRE CHORUS:

**Life is fun and I'm so happy
You're my friend and my King**

CHORUS:

**I lift my hands
To praise Your Name
I am not ashamed
To praise Your Name
Jesus**
