Words and Music by David Wakerley and Beci Wakerley

VERSE:

**Do you hear what I hear today
And see what I see
My generation living for God
There's a sound in the world today
A voice singing out
My generation living for God
And all we really wanna do is
1 2 3 4**

CHORUS:

**Play this song on the radio
So all will hear the sound
And know God's love
God's love**
