Words and Music by Kirra Gregson, Julia A'Bell and
Beci Wakerley

VERSE 1:

**You gave Your Son to save the world
You gave us love to show all the earth
We lift our voice to the sky
Singing praise Your Name on high**

PRE CHORUS:

**You make it seem
Like it's all a dream**

CHORUS:

**But I believe You created me
And everything that I can see
I'll follow You in all that I do
I love You**

VERSE 2:

**I give my heart all to You
And everything that I do
I understand Your word for me
Your holy power has set me free**

VERSE 3:

**The sun will rise the night will fall
And in the end You know all**
