

READY OR NOT

Words and Music by
Joel Houston & Marty Sampson

VERSE 1:

**Come now
As you are
Or as you want to be
Are you ready
Are you ready**

**Come now
Tired broken
Scared or just in need
Ready or not
It's alright
Take your time
If nothing else just come**

CHORUS 1:

**There's no place like His presence
There's no time like the now
Every one two or three of us
Count Him in here and now
He welcomes the broken
He's alright with your past
He's not mad at any one of us
But He waits with open arms
Says come**

VERSE 3:

**Come now
Leave your inhibitions
At the door
Are you ready
Are you ready**

**Come now
Lay your burdens down
He's got them all
Are you ready
Are you ready or not**

CHORUS 2:

**He's still faithful to deliver
Mighty as ever to save
He's still good on His promises
And His love still never fails
He's not moved by perfection
Or how well we look the part
But He's wild about the hidden stuff
Like He's wild about the heart**
