

SEEKING YOU

Words and Music by Marty Sampson

**It's You I can't escape
Your love has me surrounded in every way
So I surrender now and raise my hands
All I want is You**

VERSE 2:

**You have carried me
Through many storms and raging seas
You rescue me in my hour of need
And all I want is You**

CHORUS

**I'm coming to You
For the love that I need
I'm desperate for Your touch
I'm seeking You
I'm seeking You**
