

SHOW ME YOUR HEART

Words and Music by
Joel Houston

VERSE 1:

**Wide awake
In the dead of night
While the world comes apart
You keep watch
When my vision is blurry
And my thoughts run afar**

**You step in
When the wolves come prowling
And the thieves come to steal
'Cause You don't sleep
When my world spins in darkness
And I can't tell what's real**

CHORUS:

**Show me Your heart
'Cause I need a Father
Show me Your love
'Cause I need something that won't break**

Show me Your scars

**‘Cause I need a Saviour
Show me Your heart
‘Cause I just need a place I can run
And fall into the arms of my Father
I just need to know there’s someone
So beautiful to me**

VERSE 2:

**You don’t hide
From my heavy mess
When I hide the worst parts
You don’t run
From the thick of the fight
No You never lose heart**

**You don’t quit
When I throw the towel in
Or lose patience when I fall
‘Cause You just give
And You’ll never give up
Till I’m every bit Yours**

BRIDGE 1:

**Oh what’s impossible
To a heart that trusts in You
I’ll sing Your praise
Like it’s all I got**

And my life depends on You

**Oh what's impossible
To this love I have in You
I'll sing Your praise
Like it's all I got
And my all belongs to You**

BRIDGE 2:

**You've been faithful
So I will trust You
Even when the way is dark
You'll hold true
When the rest fades away
So I'll sing Your praise
Yeah I'll sing Your praise**

BRIDGE 3:

**Oh what's impossible
To a heart that trusts in You
I'll sing Your praise
Like it's all I got
And my life depends on You**

**Oh what's impossible
To this love I have in You
I'll sing Your praise**
