

THAT'S THE POWER

Words and Music by
Michael Fatkin, Benjamin Hastings &
Alexander Pappas

VERSE 1:

**There's a Name that levels mountains
Carves out highways through the sea
I've seen its power unravel battles
Right in front of me**

**There's a faith that stands defiant
Sends Goliath to his knees
I've seen as praise unravelled shackles
Right off my feet**

CHORUS:

**That's the power of Your Name
Just a mention makes a way
Giants fall and strongholds break
And there is healing**

**That's the power that I claim
It's the same that rolled the grave
There's no power like the
Mighty Name of Jesus**

VERSE 2:

**There's a hope that calls out courage
In the furnace unafraid
The kind of daring expectation
That every prayer I make
Is on an empty grave**

BRIDGE:

**I see You taking ground
I see You press ahead
Your power is dangerous to
The enemy's camp**

**You still do miracles
You will do what You said
For You're the same God now as
You've always been**

**Your Spirit breaking out
Your kingdom moving in
Your victory claims the ground that
The enemy had**

**You still do miracles
You will do what You said
For You're the same God now as
You've always been**
