

# **Turn Your Eyes Upon Jesus (Find Light)**

**Words and Music by  
Sarah Funke, Nigel Hendroff, Andrew Holland  
& Helen Lemmel**

**VERSE 1:**

**O soul are you weary and troubled  
No light in the darkness you see  
Find light when you look at the Saviour  
And a life more abundant and free**

**CHORUS:**

**Turn your eyes upon Jesus  
Look full in His wonderful face  
And the things of earth will grow strangely  
dim  
In the light of His glory and grace**

**VERSE 2:**

**His word shall not fail you He promised  
You can trust Him and all will be well  
Then go to a world that is dying  
His perfect salvation to tell**
