

# YOU TAKE ME HIGHER

Words and Music by Raymond Badham

VERSE 1:

**I remember the first time  
Your love reached deep into my world  
You read me like an open book  
You took all the pieces  
And made my life complete in You  
I soar on the heights of Your love  
Dive the depths of Your grace**

CHORUS:

**You take me higher  
'till I see beyond the storm  
Surrounding me with Your love  
I turn to find You near  
You take me higher  
You lift my head to open skies  
Your fire burns within my soul  
Abandoned to Your call**

VERSE 2:

**I take the hand of One**

**Who knows me from the inside out,**

**He guides me through the streets of life**

**He takes me through open doors**

**They open onto fields of white**

**He tells me to see and perceive**

**And to hear their cry**
